7. In mid-Pertember, an estimated 400 tanks were assembled in the Egreein area. * In mid-Pertember, 3 km of the sour trick leading to the former Torgelow amountion depot were reconstructed. 25X1 Comment. The high echelon headquarters of the Kasernierte-Volkspolized located in Pasewalk was referred to by several deserters as Armeegruppe Nord. It remains to be seen, whether this designation is correct. It is believed that this headquarters exercises at least the functions of an army headquarters.

Comment. This figure roughly agrees with provious information concerning shipments to this area.
